Amount requested from MIETL:

Signature of applicant*:

Date:

**Signatures are not required if submitting the application electronically; however, in order for the application to be complete, the applicant must 'cc' the chair/director/dean when submitting via email. For electronic submissions, please type the name and date of the applicant/chair/director/dean into the appropriate fields.*

Comments of Chair/Director of School (in Health Sciences, Program Director) *max 1800 characters*

The Teaching & Learning Grant Peer Review Committee would appreciate your comments on the following:

1. What is the department's contribution to this project?
2. How will the department ensure the continuation of this project after the initial grant?
3. Where relevant, please comment on the relationship between this project and other initiatives in the department.

I have had the opportunity to read the Teaching & Learning Grant written application, and ask any relevant questions to the applicant.
